

# Invitation to the SimTech PhD – Student Weekend 2017

July 14 – 16 at Altglashütten in the Black Forest, Germany

Dear fellow SimTech PhD students, we would like to invite you to the 8<sup>th</sup> SimTech PhD weekend!

## Program

The PhD weekend is an opportunity to get to know and exchange ideas with fellow PhD students in a relaxed atmosphere. Apart from social activities there will be one day of seminar sessions. You can choose between a workshop on *Design-Thinking* and on *Competence Analysis* together with a short introduction to some useful programmes. Furthermore there will be discussions about the changes in the structure of SimTech, where we will hopefully be able to answer some questions.

## Schedule

We will meet on Friday, 14<sup>th</sup> of July, around 2:30 p.m. at the University in Vaihingen and head to Altglashütten by bus. On Sunday, 16<sup>th</sup> of July, we will return in the early evening.

## Registration

For registration please send an e-mail to: [doktorandensprecher@simtech.uni-stuttgart.de](mailto:doktorandensprecher@simtech.uni-stuttgart.de) before May 11<sup>th</sup>. Since the number of participants is limited, it is first come – first serve! Please do not hesitate to contact us in case of further questions.

## Additional Information

Accommodation, food and transport to [Altglashütten](#) will be paid by SimTech. You only have to pay for beverages.

All participants are kindly asked to *prepare a short presentation* (max. 3 min) about their PhD topic. The weekend counts as one of three mandatory SimTech seminars.

We are looking forward to having many of you at the SimTech PhD Weekend 2017!

Antje, Patrick, Jim
