Department of Computer Science

22 January 2020

5.15 – 6.45pm, Lecture hall 38.03

Have you ever wondered how to make a career in academy and become a professor?

Then come to our 1st Academic Career Talk for master students in Computer Science and closely related fields.

Four professors will briefly report on their experiences in their own academic career paths. They will then be open for all your questions about topics related to academic career options, planning, and execution.

Snacks and drinks will be kindly provided by infos.
